**DAV PUBLIC SCHOOL,DVC MTPS**  
**CLASS-II**

**Here comes summer holidays  
Let's make it fun in different ways  
Let us revive friendships and relations  
And create many 'new' and expand our visions.  
Inculcate healthy habits and good manners  
Don't forget to remember God in prayers.  
It's time to visit hill stations  
And click selfies in trendy fashions  
It's time to develop new skills  
Nurture the nature and see how good it feels  
But it's not time to keep aside your 'studies'  
Exercise is must and play with your buddies  
Hearts that sing can spread their wings  
To create bright future and happiness it brings.**
